Press Release

Idaho Running Day, September 17, 2022

Boise Running is excited to announce the creation of its annual scholarship fund.

To help build and foster a thriving and growing running community within the greater Boise area we are pleased to announce the creation of an annual scholarship award. The award will be presented to a high school student participating in track and field, or cross country and plans to continue in the sport while pursuing their academic career in college.

We want to encourage every youth in the Valley to embark on and maintain a healthy, physically fit lifestyle. Two awards will be given each year, one for a female student and one for a male student. Boise Running will be sending out applications and criteria to school counselors and coaches in the coming weeks. The first awards will be for students entering college for the 2023/2024 school year.

Boise Running is the event division of Pristine Marketing and Events. For more information you can contact Boise Running at: keith@pristinemktg.com
